**GRAD Reading and Math Retakes**

Retakes are delivered via computer. There is an eight-day retake window each month of the school year, starting on the first Tuesday of the month. Students may retest every other month to allow for remediation between attempts. Testing should be coordinated with students' remediation plans.

**BST Retakes**

Students who entered grade 8 during the 2004-2005 school year or earlier need to pass the BST in Reading, Math and Writing to be eligible for a MN high school diploma. Most of these students were in the graduating class of 2009. Those still needing to complete this testing requirement may test on the following dates:

Math

November 4 (Makeup Nov 12)  
April 21 (Makeup April 28)

Reading

November 5 (Makeup Nov 12)  
April 22 (Makeup April 28)

Writing

November 3 (Makeup Nov 10)  
April 20 (Makeup April 27)  
July 20 (Makeup July 21)
