

# TARTAN TITAN SOFTBALL

vol\_1\_Issue\_3\_

**Quote of the week: The monotony and solitude of a quiet life stimulates the creative mind ~ Albert Einstein**

## TITANS

We have just wrapped up another two weeks of the season. Plagued by a never ending winter our time inside has become some what monotonous. The girls are ready to get outside and play. The coaches are ready to get outside and play. The parents are ready to be done with the multiple pick-up and drop offs that happen because of evening practices. Never the less the Titans have shown their patience and flexibility as we wait for Mother Nature to grant us some warmer weather.

There are some positive things to share from the past two weeks.

\*March 31<sup>st</sup> the Titans participated in a grocery bagging event at Cub Foods in Oakdale. They raised over \$1300 during their time. We need to give special thanks to Parents who also volunteered their time to and energy to making the event successful!

\*Monday April 2<sup>nd</sup> the girls had a Fundraising BLITZ. They were tasked with going out into the community and asking for donations that can be used in the silent auction/raffles at the spaghetti dinner. They were out for about 2 hours and brought back several hundred dollars worth of donations. Juniors Paige Mount and Corinna Hafner were both able to get large donations for the raffle, way to go girls!

\*Friday April 6<sup>th</sup>, the Varsity team was finally able to get an opportunity to play another team. We went to the Rosemount dome for a scrimmage against Visitation High School. It was apparent from the first pitch that we very eager to get some game action. The girls posted 4 runs in the first inning, Madison Head drove in 2 Runs with a line drive single to center field. We looked a little rusty on defense the first inning, maybe we were over eager. But as the scrimmage progressed we settled in and played good defense. Freshmen Rachel Novak had an RBI single to Left Field and then showed great speed as she scored from second base on a bunt by Corinna Hafner. Mary Holthe and Hailey Sutton added 2 hits and couple RBI's to the scorebook. This was just a scrimmage and we didn't really keep score, but it was very nice to see the girls get fired up and excited about the season.
