GED Preparation Classes

General Education Development (GED) Preparation is a self-paced program designed to help you study and prepare to take the GED tests. Day or evening drop-in classroom training is available at no cost to adults in our community. Our staff will work with you on the subjects in which you need improvement. Practice tests help monitor your progress and prepare you for taking the official GED tests. Come when you can—you don't have to attend the entire time! The time needed to complete the GED varies for each student. *Tuesday and Wednesday 9:00 am–8:00 pm, Thursday 9:00 am–4:00 pm*

Pre-GED Classes

If you're a little rusty, we'll work to help you improve your reading and math skills to a level necessary for the GED preparation class. *Monday and Wednesday 1:00–4:30 pm*
