

Adventure Connection

District 622's School-Age Care Program Serving Students in Preschool* Through 5th Grade

Adventure Connection is a school-age care program serving students in preschool* through 5th grade with sites located in District 622 schools. It is a convenient, safe and caring place for children before and after school and on non-school days. Adventure Connection provides educational, enriching, recreational, and engaging age-appropriate experiences for children.

Our mission is to provide a quality program that ensures a safe, cooperative, student led environment that serves the diverse needs of the school while striving through continuous improvement to foster the development of our youth as service leaders in District 622.

**District 622 Preschool students may attend Adventure Connection before morning preschool OR following afternoon preschool at the following locations Carver, Castle, Cowern, Oakdale, Richardson, Weaver and Webster (served at Cowern).*
