

## VSA ARTS OF MINNESOTA

**Description:** - An organization whose mission is to create a community where people with disabilities can learn through, participate in and access the arts. It provides different opportunities for artists to participate in throughout Minnesota. Events include going to or participating in exhibits, becoming a teacher, or applying for grants that support your art.

**Who is Eligible:** This organization is specifically for artists with disabilities living in Minnesota. The organization covers a variety of mediums including painting, drawing, music, etc.

**Application Process:** The application process varies depending on what you would like to go to. Access the website to find out more information or call.
