

Activity Kits

WITH COMMUNITY ED

\$29
per kit

Our fun, educational activity kits incorporate art, history, STEM, and current events. Each kit contains supplies and instructions for a student to complete independently or with the help of a family member. They make a great after-school activity, boredom buster, or gift! For an optimal learning experience, we recommend one activity kit per child.

Order an annual subscription and receive all twelve of the kits below, delivered one per month on the 15th. Or order an individual kit, delivered two weeks from purchase. All kits are delivered to the address you provide when you register.

Individual kit \$29

12-month subscription \$348

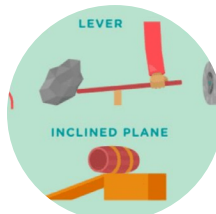

You could qualify for **50% OFF**

District families who qualify for free and reduced meals are eligible for a 50% discount on all activity kit purchases! Complete your Application for Educational Benefits at isd622.org/Page/349 to find out if you qualify for a discount this school year.

Intro to Screen Printing

Design and make your very own customized clothes.

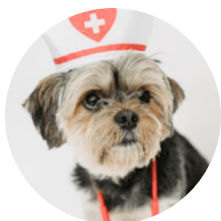

Intro to Simple Machines

Learn how six machines make work easier: lever, pulley, wheel and axle, inclined plane, wedge, and screw.

Build a Ukulele

Learn all about the national instrument of Hawaii by building and decorating your own.

Vet Tech in Training

Explore veterinary science by learning to examine x-rays, practicing sutures, and making a cast for broken bones.

Iditarod: the Last Great Race

Try an expedition meal, write a letter to your favorite mushers, and watch the Iditarod sled dog race!

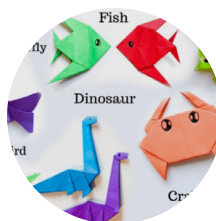

Terrarium Starter Kit

Build a terrarium that serves as the background to a mini scene with your favorite characters.

We are the Artemis Generation

Learn about the Artemis Plan to put the first woman and the first man of color on the moon and build a moon rover.

Beginner's Guide to Origami

Learn the main folds that are the foundation for a number of different models, then fold a paper crane and 5 other models.

Snacks Around the World

Travel with us to Turkey, Guatemala, and Japan as we taste our way to a new favorite sweet or salty snack.

DIY Bath Bombs

Create your very own bath bombs with different colors, scents, and surprises inside!

The Buzz on Bees

Build a mason bee house, eat honeycomb, and make a felt bee puzzle.

Sunshine Power

Build 12 different robot models using solar power to drive the motor.
