

# Driver's Education

We partner with Safeway Driving School to offer convenient, affordable, high-quality courses. Safeway's focus is creating safe, responsible teen drivers. Classroom and behind-the-wheel lessons emphasize defensive driving techniques tailored to the inexperienced teen driver while targeting to influence the invincible teen attitude.

The cost of the teen package is \$380\* and includes the classroom and behind-the-wheel lessons and all materials.

Students may take the class at age 14½ but cannot take the permit test until age 15. After completing classroom instruction, students that are 15 years old are eligible to take their permit test at any Minnesota exam center. The permit test is not provided during the class.

Behind-the-wheel instruction includes six hours of driving in three, two-hour private lessons. All driving is done in a real car on actual city streets, highways and freeways with a responsible, licensed Safeway instructor.
