

GOAL 1: By 2020, the district will reduce its race-based gaps on MCA III Reading scores to 11 percentage points or less at each tested grade level.

GOAL 2: By 2020, the 4-year high school graduation rates for students of color will increase by at least 5 percentage points, with no racial subgroup below a 70 percent graduation rate.

GOAL 3: By 2020, the percentage of district-wide discipline referrals for Black students will be within four percentage points of the percentage of Black student enrollment district-wide.

SYSTEMS SUPPORT: Strong communities are inclusive and value diversity.
