Immunization Clinic

As parents and students get ready for the start of the new school year, remember to make sure that students are up-to-date on all of their required shots.

The North St. Paul-Maplewood-Oakdale School District has a “No Shots, No School” policy, which means that all students must have the proper immunizations, be a conscientious objector, or have a medical exemption BEFORE starting school.

This clinic is open to students enrolled at **any District 622 school** who needs to get their required vaccinations before school starts.
