On May 14, 2019, North St. Paul-Maplewood-Oakdale School District 622 residents will vote whether to fund school improvements across the district with a plan to provide safe, up-to-date, and healthy learning environments for all students.

SAMPLE BALLOT

SCHOOL DISTRICT QUESTION 1 APPROVAL OF SCHOOL DISTRICT BOND ISSUE

Shall the school board of Independent School District No. 622 (North St. Paul-Maplewood-Oakdale) be authorized to issue its general obligation school building bonds in an amount not to exceed \$275,000,000 to provide funds for the acquisition and betterment of school sites and facilities, including the possible acquisition of land; the construction and equipping of two new elementary school facilities; the renovation, upgrading, equipping and the construction of additions and improvements to various elementary schools, middle schools and high schools; the demolition of school facilities; the acquisition and installation of furniture and equipment at school sites and facilities districtwide; the repayment of the Capital Facilities portion of the District's Series 2018B General Obligation Bonds; and the construction of secure entrances and security and safety improvements at various school sites and facilities?

YES

NO

BY VOTING "YES" ON THIS BALLOT QUESTION,
YOU ARE VOTING FOR A PROPERTY TAX INCREASE

All schools would receive modern furniture and flexible classroom spaces for independent, small group, and large group learning.

All schools would get secure building entrances, and many would receive traffic safety improvements.

The tax increase for the average homeowner is estimated to be \$5 per month.

Because the district is paying off old debt, this new debt would result in only a small tax increase to property owners.

This proposal would address schools across the district, most of which are more than 50 years old and not designed for today's learning environment.

To address aging buildings, crowding, and inappropriate learning spaces, some buildings would be renovated and/or expanded, others would be repurposed or closed, and two new schools would be built on existing properties.

School District 622
