In Kindergarten, we share our supplies as a community. The supplies are grouped together for classroom use. Crayons and glue may need to be replenished, but only if we run out. Please bring your child's supplies to Open House on Sept. 1st before school starts.

We are also asking for a voluntary \$10 donation used for classroom parties and special projects. This will be due within the first month of school. Checks should be made payable to Carver Elementary.

Have a restful and relaxing summer. We look forward to seeing you and your child this fall!
