Dropping off your child in the a.m.

1. Pull your car up as far as you can in the yellow-indentured curb in front of school with your child ready to exit when you stop.
2. Have your child exit the car.
3. Continue to drive south on Margaret Street. NO U-Turns.

Picking up your child in the p.m.

Parents will need to park their cars and come into the building to pick up their child. The students (who are being picked up) will be in the big gym (located on the south end of the school) lined up by grade level. The side door by the gym will be open for the parents to enter so that you do not have to come through the main entrance. While this may be an inconvenience for parents, this is a precaution to provide the utmost safety for you and your child.
