## No School November 24 or 25

There is no school for students in District 622 on Thursday, November 24 or Friday, November 25 due to the Thanksgiving holiday.

Classes will resume on Monday, November 28.

## Thank You from Adaptive Soccer team

We would just like to thank everyone for all the support they gave the adaptive soccer team on their journey to state: parents, teachers and administration. A special thank you to all the super fans at both North and Tartan along with the band. They talked about the tunnel the entire ride to Stillwater, and were so excited to see and pick people out of the crowd once we were there. The team is still talking about it today! At the beginning of the first game the other coach made a point to let me know how impressed she was with the support we had by the number of fans. They played some tough teams and in the end but really kept their cool and showed wonderful sportsmanship. Thanks again for all your support!! Coach Trudy, Pam and Tiane

## In the News

### **The following “SAINTED” appeared in the Saturday, November 19 Pioneer Press Sainted & Tainted column:**

Sainted are the fine citizens of School District 622. Those citizens showed up in large numbers in this presidential year to vote yes for a brighter future for our almost 11,000 students and yes to maintaining our vigorous communities. Voting yes sends a very strong statement about what composes our community and its citizens. The easy course would have been to say no and to take a selfish view of this levy question. The citizens of 622 did neither of those things. Many of those yes votes came from senior citizens on fixed incomes. Many of those yes votes came from citizens who no longer have children in our schools. Many of those yes votes came from folks who are trying hard just to make ends meet. It was made clear that our citizens value kids, our school district and our fine communities of North St. Paul, Oakdale and Maplewood. Sainted are the great citizens of ISD 622 who saw the value and put their money to work for a much brighter future. Thank you, 622 citizens.
