622 Levy: Did you know...?

State funding has not kept pace with inflation, nor with increasing educational needs.

Nearly all Minnesota school districts have operating levies to address this funding gap. Visit www.isd622.org/levyresources and click on State Funding Gap for more information.

Questions? Call [651-748-7629](tel:651-748-7629) or email levy@isd622.org. Thank you for learning about this important request to support student programs and services!

ISD 622 is looking for reading or math tutors for the 2016-2017 school year. Successful candidates receive a stipend for 11 months of service through Minnesota Reading Corps or Minnesota Math Corps. Tutors also receive extensive training, support and general professional development opportunities.

In addition, an education award is available to use toward future education or to repay student loans. Tutors 55 or older have the opportunity to gift the education award to their child, grandchild, or foster child. Full-time tutors may be eligible for health insurance and childcare assistance.

Current district Minnesota Reading Corps volunteer Shelley Lindquist said, "I love working with children and seeing them succeed. Knowing that I make a difference in their lives is rewarding and fulfilling. Many volunteers wish they would've started this work a long time ago."
