## From Principal Shawn Bromeland:

Welcome families to the 2019-20 school year. We've had a great start at Eagle Point and we are so happy to see you and your child(ren) this fall. As we start the year, I want to introduce myself to new families. I have been principal for nearly 15 years, and at Eagle Point for the past 9 years. Prior to administration, I was an English teacher in St. Paul. I have been married to my wife Sara for 18 years. We have a daughter and a son who are in 10th and 7th grade. This summer, the highlight for us was a two week trip to Korea. Please come in at any point and visit with me with any questions or concerns you may have.

I also want to encourage families to attend our first parent group meeting this Monday, September 16 at 6:00 PM. Parent Group will provide free pizza at this meeting, and as always, we provide free childcare. Eagle Point is privileged to have such a strong group that supports the many learning opportunities for our students, and they are always looking for more parents to help and to be involved.

Finally, thank you for your help in our parking lot before and after school. Please pull all the way up to the flag pole to drop off your student so we can keep traffic moving. Also, at the end of the day, it is imperative you park in the church parking lot as we do not have enough room to park in the school lot. Thank you for helping keep Eagle Point students safe.
