### From Principal Shawn Bromeland:

Happy New Year! I hope you and your family had a safe, healthy, and relaxing break. As we start the new year of school, we will transition once again to different models of learning.

On Monday, January 25th, students in Kindergarten through 2nd grade who opted to return to in-person learning will begin a full day, every day schedule. Two weeks later, on February 8th, students in 3rd grade through 5th grade who chose in-person learning will begin a full day, every day schedule as well. Students K-5 who chose distance learning will work from home.

We are working hard to make sure the students and staff who are back in the building full time will be safe, and that all COVID-19 protocols are in place. We are also focused on providing an environment that is both conducive to learning and supportive to students' well being as they adapt to a new schedule. I will send more details specific to Eagle Point soon.

Finally, please be sure to pick up your student's bag of learning materials tomorrow and Friday, anytime between 8:30 am -5:30 pm. This bag has items the kids will need over the next few weeks. Please note - If your student is in 4th grade, you do not need to pick up a bag, as there are no materials for 4th grade this round.

## Moving? New Address? New Phone Number?

Is your family moving? Have you recently switched phone numbers, addresses, or changed your email address? If so, please let us know! Having accurate contact information is important since it is used to communicate with you about your child, notify families in case of an emergency, and call households in the event of school cancellation.

Anytime you change your address, phone number, or e-mail address please notify the school as soon as possible with the new information. Thank you!

# EP PARENT GROUP

This month we are featuring our amazing Principal Shawn Bromeland. He will give us a construction update on the new Eagle Point building!
